“ *Ralph and I worked together at KFC on and of for close to 15 years . He recommended me for promotion as a Shift Manager at 17 and at 18 to Assistant Manager .
Ralph actually retired while managing the same store together .
I went to visit him at his home from time to time. I had no idea of his passing . I was just looking up his phone number to let him know about another past KFC Manager Bob Warren passes away last night . Ralph was a great Man and Role model for the many Teenagers that worked their probably first or second job in life with Ralph .
I will miss my occasional visits which I'm way over due because of my own health .
RIP , Ralph always remember the fun times working together !!
