“Dad, I miss you so very much. We talked about you still being here even though your body was battling itself and it seemed impossible. But we figured it out. Each day that God allows us to wake up is a day for us to make a difference. To tell someone about Him. To share our 'imperfect' selves with others and our desire to do what our Father in Heaven would want us to do. That is how we serve Him. One day at a time. When our mission on this Earth is done, He calls us home to rest with Him. I'm so happy for you.

“ Mr. Raul was a great man that loved God and his family. And he made it known either by just a good conversation or standing up in church and blessing the congregation with a testimony. Praying for comfort for the family at this difficult time. He was truly a humble servant.
