“ *I did not know Ricky really well, but did spend time with him at some family gatherings. He had an irreverent sense of humor. I always enjoyed talking football with him. My lasting memory of Ricky will always be him bringing a bounce house and making cotton Candy for all the kids. I know he adored his son.*

“ Ricky will be missed here at the West Point Family Barbershop , we
had a lot of laughs together about his beard. I always told him I was
afraid a squirrel was gonna come running out when I was trimming
it. Good spirited guy and full of laughter. So sorry for the family.
Love to you all.

Dear Marci and Richard, We haven't met you but as a parent of Ricky's West Point classmate and friend I met Ricky many times. My daughter Kelly Staszewski, Katy and Emily cherished the special friendship with Ricky. I recall when the girls were seniors house sitting our home in a blizzard Ricky was so kind and thoughtful and made sure they were safe. He was a fine young man who loved his friends and they loved him back creating a bond as they shared graduation, college, work, children and return visits to Crab Carnival. Ricky will be missed by many. May you find strength in the memories and joy in Renn. Brenda Butker
