After receiving Bachelor's and Master's Degrees from MIT in Electrical Engineering (EE) in 1965, he earned a PhD in EE from Stanford University in 1969. Rick was very proud of his two children, Scott Richard and Kristin Lynn. They delighted his life at every stage of their growing up. Rick was a very involved parent, sharing his passions and encouraging and coaching in their sports activities. His grandchildren Zachary and Emma brought him much joy. His friends were numerous and he kept close ties with high school friends, college roommates and classmates, Porsche Club buddies and his New Jersey Berkeley Heights and Holmdel neighbors. Rick's hobbies included: tenting with the family in National Parks, driving his Porsche with the Porsche Club at race tracks

around the country, and traveling and cruising around the world with friends and family. His favorite was his African safari with Porsche Club friends. Rick was an avid woodworker, making many wooden gifts, including cradles for his grandchildren. Rick retired to Bridgton, ME, where he met more wonderful neighbors. Rick will be sorely missed by all his family and friends. He was preceded in death by his parents, Richard Lee and Florence Hoyle Townsend. He is survived by his wife, Laurel Ann, of 52 years; his children, Scott Richard and Kristin Lynn (David); and his grandchildren, Zachary Bern and Emma Rebecca.
