“ To the Family of my classmate and fellow 1976 graduate of Charles City High School. There are few humans that it can be said without hesitation were “Salt Of The Earth” people. Ricky’s kindness, consideration and gentle, helpful spirit was a pure example. I cannot recall one unkind word or statement regarding anyone made by him. May he rest in Peace.

“ *To the Williams Family  
I was in graduating class of 1977 and remember Ricky. He was quiet but powerful. He did not volunteer much but if called upon him he was there. Remember the good times and keep them tucked in your heart. If there is anything I can do just let me know.

“ *Ricky was a quiet but very polite classmate. He did not have much to say, but when called upon, he expressed an abundance of knowledge, regardless of the subject, which proved he was soaking up every word that was being spoken. Rest in peace Ricky. My deepest sympathy to the Williams family.*

“ Ricky was a classmate at Charles City High. He was one of the smartest in our class (class of 1976). He was quiet most of the time but could share a laugh from time to time. To the family, you are in my prayers. I know that the fond memories will help fill the void you feel now. God has promised to never leave you or forsake you. I encourage each of you to cling to that promise.  
With love
