

Robert Bradford "RB" Anderson Jr.

December 6, 1947 - April 24, 2017

Robert Bradford "RB" Anderson, Jr. died April 24, 2017, after a brief illness. He was a resident of both Bland, VA and Shackelfords, VA. RB was born December 6, 1947, and was preceded in death by his parents, Robert B. Anderson and Margaret Funk Anderson.

He is survived by his wife, Deborah Beavers Anderson of Bland and Shackelfords, VA; two sons and daughters-in-law, Rath and Michelle of Bland, VA, and Dane and Mandy of Montpelier, VA; five beautiful granddaughters, Virginia (Ginny), Aeryie Grey, Rill, Juliet and Isadora; a brother, Chuck Anderson of Virginia Beach; a sister, Peg Monahan of Williamsburg; and also a very special niece, Melanie Batholomay, and her children, Veronica, Heidi and Rex, of Knoxville, TN.

RB enlisted in the US Army in June, 1967 and volunteered to serve two tours in Vietnam, the first as an E-5 Squad Leader in Charlie Company C-75 Rangers; the second as the door gunner on extraction missions. He returned to graduate from Marshall University to be commissioned as a 2nd Lieutenant. He received a M.Ed. From Virginia Tech, and served as an ROTC instructor and led the Ranger program there. He was Airborne (Jump Master), Ranger and Special Forces; serving throughout the Middle-East and Asia, including Operation Desert Storm. He retired as a Lieutenant Colonel in 1991.

After military retirement, RB's second career was in education. He taught JROTC at Hopewell and Carroll County High Schools, was a counselor at Wilderness Leadership Academy, and also served as principal of The

Presbyterian Children's Home of the Highlands.

RB's third career was a calling to be a prison chaplain, serving first at River North Correctional Center in Grayson County; and then Bland Correctional Center, near his home.

Throughout all of his various careers, RB was also a passionate farmer, who always believed in sustainable agriculture.

He passed with grace and the assurance that his faith sustained him. A light to many, he "Leads the Way".

Graveside rites will be held 11 a.m., Friday, April 28th at Shackelford's Chapel United Methodist Church Cemetery. “ I worked with RB at the Wilderness Leadership Academy in Arcadia. He shared with me the story of how he was awarded the Bronze Star with Valor for taking part in saving a helicopter crew that was shot down in Vietnam. He shared many stories about his time in the service and growing up....amazing guy.

“ LTC Anderson was a friend when I was in a dark place. RB allowed me and my family a “no charge” vacation at a property he owned that blessed me greatly. I was struggling with forgiveness of someone near to me who had caused me great pain and some harm. He stressed the need for me to forgive for both my benefit, my family and the individual who had harmed me. God Bless RB Anderson! — A true friend and colleague.

“ LTC Anderson was my JROTC SAI at Hopewell High School in the 90's. I just happened into Bland today and was looking him up, finding this was a shock...he was a great man and one of the very few people i ever wanted to BE. Rest easy sir, you watch is over...

“ He was a giant among men, larger than life. He earned your respect through action, not just by virtue of his rank. RB walked the walk and always led by example. He remains the epitome of a mentor and inspiring leader. He could ice you with a cold stare or his stern voice and make you feel ten feet tall when you drew a smile or a deep laugh out of him. God bless you, Sir, and thank you for being such an amazing role model in my life and in the lives of so many of my fellow VT cadets. Debi, thank you for sharing him with us and for supporting his sacrifices fighting for our nation. May God comfort you and family.

“ It was a good day in my life when I bumped in to this very polite American in the corridors of Kingussie High School in Scotland. Debbie had come to teach in our school and brought RB with her. Our families grew close and he became a very good friend to my son. He will be sadly missed. All of the Anderson clan is in our thoughts.

“ *RB Anderson and Sergeant Major Villarreal were instrumental in getting me prepared for Ranger School in the summer of 1980 (between my junior and senior years at Virginia Tech). Captain Anderson, as I will always remember him, was the only person I ever truly looked up to as a "mentor," and I will never forget what he did for me while I was in the Corps. I wish I could have been able to pay my respects to his wife and family.*

“ *My life was touched by LTC Anderson as a young Army ROTC cadet while at Virginia Tech in the early 1980's. Then Captain Anderson inspired us to truly be all that we could be, he would not accept any less from us. I have carried the lessons in leadership that he taught us all through out my career until my retirement last year. Aside from the military leadership, he taught us about living a life of strong moral character. I know from talking to my classmates that he touched many of our lives in a very special way. We are all better for having known him, and he will be sorely missed. My thoughts and prayers are with his family. We will never forget him.*

“ We were so blessed to have had LTC R.B. Anderson serve the students of Carroll County High School as the ROTC instructor. He was a great instructor, role model and inspiration to both the students and staff of Carroll County. He will be sadly missed.

“ I met RB and his lovely wife Debbie in the Panama Canal Zone in September of 1975, we became great friends. A zillion wonderful stories and times spent at their house overlooking the bay of Panama. RB taught me how to be a better soldier and leader. He had a special gift, a smile, a contagious laugh and I will miss him. There was a special bond with the Lieutenants and RB was the glue. We all looked to RB for guidance and encouragement. He had a positive affect on everyone he touched. I know the world was a better place with him in it and I a better man for knowing RB.

“ *Many years ago, as a young Infantry Lieutenant in Panama, I was introduced to another Lieutenant who seemed different than the rest of us. His maturity, bearing, knowledge of the profession of arms and service-above-self made the rest of us pale in comparison. He was not just "another Lieutenant." He was RB Anderson. The guy you wanted to be like, to run with and more importantly, not let down. I stayed in uniform for 30 years and never lost sight of the fact that if your Soldiers want to one day be like you, you're a good leader.*

RB, I hope I measured up. Rangers Lead the Way!

“ LTC Anderson was a father figure too many people in his life. My time spent with him was some of the greatest times of my life. He was a true southern gentleman. He is the main reason I say "sir and ma'am" to everyone I meet young or older. He taught me soo many things in the time i was with him in CCHS JROTC; but most of all was to never use the word can't. Because giving up was not an option. He proved to everyone he was around that nothing is impossible if you set your mind to it. For those things im eternally grateful to this great hero. To mumma "which he called his wonderful wife and had us call her" I'm so deeply sorry you lost this wonder man. Just know he deeply touched soo many lives with his time on this earth and he will be watching over everyone of us for the rest of our lives. And finally to RB thank you for making me and many others a better person for knowing you.

“ I was a teacher at the Minnick School in Wytheville, VA where RB was principal. I had much respect for him and he was the best principal I have worked for. I regret that we didn't stay in touch after we both left Minnick. I do offer my condolences to his family. He was an amazing man. -Kim Pack-Ratliff

“ *A few years ago, a mutual friend invited me to have lunch with the man she bought her beef from. When I arrived at the restaurant I parked my truck next to his and I was blown away. So I took a picture of our trucks sitting side by side. His with a decal of C company, 75th ranger regiment, mine with a decal of L company. We quickly realized that we shared not only that history, but also our mutual love of Jesus and heart to serve Him, R. B. In prison ministry and I in mission to Bulgaria. We were brothers in two profound ways and, of course, became instant friends. I will miss our times of sharing until we meet again. Thank you for your service to your country and to our God. Thank you for your influence and positive impact on so many. Once again, Rangers Lead the Way!*

“ As a junior at Hopewell High School I met a true American Hero. I was blessed to be around him for 2 years but his impact has lasted throughout my life. He was one of the first to encourage me to serve in the military. Last year I discovered he was serving as a prison chaplain and we reconnected via email. He thanked me for serving. Yes, this Special Forces, Airborne Ranger thanked me...

I discovered just a few weeks ago that he was ill, and reached out to let him know he would be in my prayers. I will cherish his response and kind words of encouragement in my own life and ministry.

This morning I read the news that this American Hero and Champion for Christ had left this world for his eternal reward. My heart skipped and my eyes welled up a bit. I can only imagine the grief of family and those who knew him better. Yet what I know, is I am a better man today for have ever crossed paths with LTC Anderson.

May God comfort all family and those who grieve today.

“ I had the honor to know RB as a fellow JROTC instructor when he was at Hopewell HS. We made the effort for the cadets to compete in events and spent several JROTC summer camps at Ft Eustis working together. Upon our initial meeting in JROTC, we realized we had attended the same Infantry Officer Advanced Course at Fort Benning GA in 1979-80. RB was a true professional soldier and was always willing to go out of his way to help, and mentor to others. We will all miss his easy going style and ability to be a genuine friend to all. Rest in Peace RB.
