“ *Vicky, the boys & family, we couldn't be more shocked and saddened to hear of Rob's passing. It's sometimes hard to understand why people are taken from us, especially as he had been fighting so hard to remain here for his family and friends. Time and prayer are the keys to healing pain and grief. May many happy memories carry you through this sorrowful time*

“ My condolences to the Coultrip family. It was a privilege to work with Bob for so many years and get to know what a great family man he was always caring deeply for each family member. I will always miss golfing with Bob.
