“ To Michael, Mark and your entire families. You are truly in our thoughts and prayers. We have enjoyed Bobby for many years. I first remember Bobby when he and Nell were dating and he returned from Korea. He brought me a shiny green and silver Korean jacket which I cherished. Several years later I saw him many times riding down Lee Street with Michael as a young boy in his car. This inspired me years later to enjoy taking my children for car rides. Bobby proudly demonstrated his new 8 track player to us, (the first one we ever saw). Also, we could always count on Bobby's knowledge and help if we ever had any needs regarding our cars. It's always been a pleasure to see him around town and reminisce about old times. He will definitely be missed.

“ So many memories with the hill gang. We went from one house to the other, listening to the latest record bought from Lucky's store. Mark and Michael, your parents always welcomed us in your home with snacks always available. Your home was a second home for me. Bobby did not know a stranger. Every time he saw me, he wanted to know how I was doing. I will miss his smile and laugh. He is in no pain now. I hope that gives you some comfort.

“ We are sorry to hear about Bobby's passing as he was a man who loved his family very much and didn't miss a second telling you about it either. When he told me some stories about how cold it was during the war I could really feel it in my bones as if I were there with those troops ... I will always remember you ~~~ Bobby Davis !!
