“ *Carroll and Nancy Hazzard and family are sadden to learn of Robert's passing. He was a good friend and a very hard working person throughout his years of working and retirement. He never gave up on anyone or anything that he was trying to finish whatever he started and until his passing. Keeping the family in our prayers during this time. We went to church with him and Nettie and he was also a good neighbor and friend through the years.*

“ *So sad to learn of Robert's passing. I met him while working on the Special Area Management Plan for the Dragon Run and worked with him on the Friends of Dragon Run Board. He was quiet but knowledgeable and he will be sorely missed. Praying for his wife and family and friends that will feel the loss the most.*
