“ Sorry to know of my friend passing. We met around 1958. Roger got me started in golf and he and his friend introduced me to my wife of 43 years. So many memories.

“ Roger made hole in one. Rolled the ball from the tee, in and out of the sand trap, on the green and in the hole. Hampton Country Club, probably around 1962.

“ Grace, we are so sorry to hear of Roger's passing. Just the most delightful guy and great golfing companion. As a Army veteran, and on behalf of so mant other proud American Veterans, we are deeply moved and honored to have known him and to have served in the same organization. He was a trure patriot and a really knid man. But as we believe, his life has not ended, merely changed, and we expect to be with him once again, enfolded in the loving arms of our Merciful Father.
