“ Roger was a co worker of mine in the Fire department for many years, we also did a lot of activities together outside of the department, Nascar races, fishing and hunting. Not only was he a co worker but a endeared friend who I will personally miss every day. I will think of you often, your Ludlowism,s and smile. See you on the other side my friend.

“ I worked with Roger at Fire Station 26 (Edsall Road) from 1984 to 1987 and then again at Fire Station 11 (Penn Daw) from 1992 to 1995. He had a great sense of humor and would make you laugh all day and in any situation. He was an excellent firefighter and was highly competent and dependable in emergencies. He was also an excellent pump operator probably as a result of him being a plumber. I worked for him in his plumbing business on occasion when he had big jobs or was short handed. Sorry to hear if his passing. Rest in Peace Brother.
