“ My heart is so heavy. I just learned of Roger’s passing today. Roger and his wife Martha and his boys have been in my life for over 20 years. When I moved to Providence Forge from Washington DC they were among my first friends. I was a single mom and needed help with so many things, including work on my lawnmower, leaf blower and various other lawn care tools. One of my happiest memories of Roger was when they came to The Apple Blossom Inn to drop off a tractor and their son wanted to meet my pet tortoise Poe. Of course we got to chatting in the front yard and Poe disappeared into the woods. Roger spent over an hour with me trying to track him down. Poe was completely camouflaged, but Roger found him by patiently listening to the sound of crunching leaves. Roger had a heart of gold and would do anything, for anyone, friend or stranger. My love and prayers go out to so many. He will be truly missed. — Peggy Smith Snead

“ *Roger was a person you couldn't be around and not laugh. He always had a smile on his face and blessed you before you parted ways. He sang like an angel and we loved hearing him perform at karaoke. We hadn't seen him lately because of COVID 19 and my husband's health, but his passing was such a shock to us. Our heartfelt prayers and sympathy go out to his family at this time.*

“ I have known Roger since I was a child. He had been a friend of my family’s for over 50 years. Roger always seemed to have a good heart and always meant well. He also had a tendency to be funny and make you laugh.

One of my fondest memories is him singing “Sitting On Top of the Bay” and “Kansas City.” Roger will definitely be missed by those who knew him. Martha & family our thoughts and prayers are with you all.

“ My friend has gone to his eternal reward. May he rest in peace. He was a God fearing man and we can all take comfort in knowing , he is in a better place. No more toiling in the summer heat and winter cold to help others from his repair shop. He will be sorely missed. As much as I tried to convince him to call me Tim, it was always Mr.Starnes. So instead of Roger, out of mutual respect, he was Mr. Pitts. At some point he mentioned that he and his lovely wife Martha enjoyed karaoke. My entire family and I joined them for one of the best nights we've ever enjoyed together. He was Elvis and Conway Twitty rolled into one. Upon hearing of his passing, my son lamented that he is singing with all the sweet voices now and forevermore. One of the last times we saw each other, as I headed for the door, he said " God loves you and I do too." I turned and said "I love you too." My life is better and I'll always have fond memories as a result of having known you, Roger. Our thoughts and prayers are with you Martha, Roger Jr. and Kenny.
With much affection,
