“ My family, I am sending you all my sincerest condolences, with great sadness! So many memories of a good and honest hard-working man, who genuinely LOVED all his family! A pillar that his family leaned on and depended on! One certainly never left Butch's without a bellyful of good food that he personally cooked, crabs by the bushel on picnic tables in the yard, "Get a bag and get some tomatoes".. "Corn's good this year", "Grew pumkins this year, get some"...~tears~..I'll NEVER see a field of sunflowers or purple clover again in my life and not shed a tear in remembrance of Butch! Godspeed!

“ I was quite saddened to hear about the passing of Roger. We were friends and co-workers back in the early 1980s at the Fort Eustis Engineer office. He was the electrical guy and I was the mechanical, and we worked on many projects together. I remember Roger as a very kind man, and soft-spoken as well although he was not afraid to speak his mind when the situation called for it. But what I remember most was his honesty and integrity along with his sense of humor. We shared many good times together at the office, and although I haven't seen Roger in 35 years I've still missed that joy that he always brought into my day. My wife also knew Roger and worked with him after he moved over to the contracting office, and she always spoke very highly of him as well. Our condolences to the entire family, and we pray that God will comfort you during this difficult time.

“ Prayers and sympathy go out to all the Staskiel family at this sad time. Butch was always nice to me since I came into the family. Always enjoyed visiting him and he always shared his garden goodies with us, shared hard shelled crabs, made Christmas special with family gatherings, and conveyed his condolences when Bookie passed away. Know that he is no longer suffering and is in a better place. Love to you all.

Sorry to hear about Roger. As a neighbor YEARS ago, he would buy a trailer of wood logs and he'd cut and we all pitched in splitting and stacking wood for our wood stoves. Candy, Eva Marie and Duane my sincere condolences to you and the rest of the family.
