“ I adored my Uncle Roger!!!! When I was a little boy, he never minded me tagging along as work was done on the farm. He always accommodated me, making sure I got something to eat, drink, had a place to sleep. He never complained about anything, never raised his voice, I never saw him get mad. So unbelievably hard working. Roger should be the model image of a decent and respectful man, in my opinion. He is certainly a role model and hero to me. Thoughts and prayers to the family, y'all have been through so much already.....Hang in there!
