Bob Wallace I knew Ron from his days of racing at Champlain Raceway in Dieppe, He would truck down from Napan, to participate in the racing. Always a cordial, and very friendly individual, liked by all who came in contact with him. I as a Presiding Judge had occasion to have him for hearings,, and he was always a Gentleman, regardless, of whether he felt our decision had been wrong. He would just move on,, was always a pleasure to deal with HIM. My deepest condolences at this most difficult time for you all. Know that your in my Thoughts and Prayers. Bob Wallace

Howie Trainor -- Condolences to the family at this sad time. I knew Ron since the late 1970s when I was the announcer and/or race secretary at Dieppe tracks. I admired him for his friendly personality and love of racing. Trucking horses from Napan for many years to Dieppe and elsewhere to race to demonstrated his dedication.
