“ Words can't express how deeply saddened I am to hear of the passing of my mother oldest and last sibling. The joy of learning things from you growing up, I'll never forget. You were more than an uncle to my siblings and I, you became our third father and never let us forget that you were only a phone call away if we needed anything. Thanks for everything and may you rest peacefully in the arms of God. Tell Mama and the rest of the family to save a seat for us.
