*I knew Ms Rosa from working at the Health Dept. No sweeter person could be found. She came into work focused on her tasks, completed them with respect and dignity. She had a beautiful smile and welcoming personality. Our encounters were joyous and always enjoyable. God has chosen one of his best to come home after a job well done caring for others. My condolences to the family on this grief journey but cherish all your wonderful memories in your heart and she will always be with you ❤️*
