“ My fondest memory of your mom, Barbara, was about 51 years ago, it was summertime. Traveling with her to the Shenandoah mountains to join you and Joan at your Grandma's home. Driving around the narrow dirt/gravel mountain road was no challenge for your mom. She took it all in stride, tooting the car horn each time we came to a sharp curve. Loved her smile, her eyes always twinkling. Roswitha was dedicated to family, hard work and the love of close friends. I loved her too and will miss her. My sincerest condolences to all the family.

Rose always gave me a beautiful smile when I asked for yet another picture. Loved her character, smile and she always had time to wear her lip stick. She loved her grand daughter Tanya my dearest friend. And cherished her great grand kids. Her smile would just light up the room. I am sure she is dancing in heaven with my mother. They were alot alike. My deepest condolences and love to all her family.
