“ I am shocked, and fell the loss of a good man and good friend. Roy used to drive a dump truck for me. He always was in good spirit,had a joke to tell and could make everyone smile and laugh. I spoke to Roy just a few months ago, he was in his yard on his golf cart, and yes he had a story to tell me. Roy, you will be greatly missed. Your friend, Ron

“ *There is to many to tell. From getting to rise on his golf cart, to talking for a hour before having him put me on the bus, picking me up from school then getting something to eat, him watching my soccer games, taking me to soccer practice, just talking to him, once in a while organizing his side tables, and trying to sit in his chair. I really am going to miss him. I pray for his family and I send them love. I'm glad I got to know him and all of his family. He was like another grandfather to me. I will always love and miss him.*
