“ Hazel,
Like Keith, I was a Vietnam USN Hospital Corpsman, and he was the first person I was ever able to swap common swabby stories with. We laughed at each other's medical war tales. We made each other feel good about ourselves having similar experiences serving our country. I regret that the four of us did not get an opportunity to play golf together. I know it would have been big fun. May God bless his soul to rest in peace and you to find peace of mind.
