“ *What a wonderful life. She touched so many with her kindness and sweet demeanor. She was always up for an adventure. She loved her family and lived her faith. She could do anything she put her mind to and among all of her many successes and talents she made the best hot yeast rolls ever. She was a mentor to so many. I will always remember her kindness and love she gave to Steve, Shannon, Crystal and myself for the 10 years we lived next door. She will always be remembered as Aunt Ruby with that sweet smile. May she Rest In Peace after a life well lived on this earth.
Much love,

“ When my family moved from California to Virginia my wonderful aunt Ruby allowed our family to stay in her home while ours was being built. She was a kind and beautiful person and I am proud to be her kin.
