“ Mickey will be missed. She brought character to life. We lived on Penny Lane just a couple doors down and enjoyed her company. Never a dull moment. Rest in peace and may her memory be eternal❤️

“ Mickey was a sweetheart!! Calling the Area office, she would usually be the one to answer. Gone to soon. May thoughts and prayers are with her family and the others that knew her.

“ I knew Mickey for many years through work. There was not another like her. If she didn't make you laugh, there was definitely something wrong. My sincere sympathies to the family.

“ Few weeks ago when I went by to see her she was in one of her memory stages. She had the aides laughing and told them this is sergeant Whitey he used to work for me, how true that was

Mickey was truly one of a kind. I had the privilege of working with her in Williamsburg and then Hampton. She had the ability to make a rather dull day a lot brighter. My sincere condolences to Karen and her family.
