“ *My sincere condolences to all of Ruby's survivors. I had been blessed to take care of Ruby the last 4 + years. Ruby's wasn't just a client to me. We were friends, and I loved her dearly. Earlier years she enjoyed going to Wendy's for a happy meal with a chocolate frosty. She would point out to me all the red cars while out riding. I could always count on Ruby to pucker up and give me the sweetest kisses. She laughed a lot and loved her music. We even danced when she could. I will forever miss my Ruby girl. I know she is comfortable, resting in peace, and doing the happy dance now. 🌸*
