Please accept my condolences and prayers. Ms Ruth was a sweet heart and always so even tempered. She was always smiling. The times I spent knowing her on the annual trips to Nags Head were some of the best....and she always kept us in pies.*

“ Aunt Ruth was one of the sweetest people I’ve ever had the privilege of knowing. I was so blessed to have her as my Aunt. We shared a love of cooking, hers so much better than mine, so when I raved about the fish and spoon bread, she sent me the recipe. That’s just the type of thoughtful, loving thing she did routinely. Aunt Ruth was the definition of family first. I will miss her kindness, her laugh, her letters, and her love. Please, hug Daddy for me.

*Family, I am keeping us lifted in prayer. We have another Angel watching over us.*

“ *I was blessed to spend 50 years with this beautiful lady and I am forever grateful to have had her for a grandmother. I am going to miss the times when she told me that she wanted to go for a ride or when she would ask where's the dog. I am missing my girl already.*
