“ My heart is broken. The sweetest most genuine woman I've ever had the pleasure of meeting she made me feel as if i was part of an extended family with her. Meeting Mrs Jackson at davita on the morning shift only 3 short years ago seems like a life time of conversations. I've never met anyone else in her family but I feel like I know them personally from her depictions and stories. She had a special place in my heart forever. Rest peacefully Mrs. Jackson until we met again and can laugh and share family stories ❤️ your friend Mrs. Mi'Kell Taylor-Austin
