“ Doesn't seem that long ago that cousin Jane and I were riding in the back of George's convertible as he and Sandra took us to Shoneys drive through and for extended rides in the country side! She always had a smile and enjoyed making those around her welcome-a tradition she continued throughout her life. Sandra has a special place in our heart and we are grateful to have her as our aunt! May the Good Lord bless and sustain the family now and forever!
