“ My mother was a beautiful person in every way a loving mother, wife grandmother and friend. We were a military family whe I was young she set up house wherever we went I was always amazed how good she was at that and her positive way. She was one who did things right in life and so sweet loved people and they loved her. In my later years we spent alot of time together she had a great sense of humor and we laughed alot I really enjoyed our time together she lived with me for almost 2 years and I am so greatful to have had that time with her I truly miss her. May she rest in peace with Jesus and God. See you in heaven Mom ❤️🙏
