“ I remember going to Pennsylvania to meet Sarah and Janice the first time with Tammie. Sarah was the first person I shared Philly steaks with which were so good. I had a ball with Sarah and her mom that weekend. We stayed up late every night just dying laughing. They made me feel like family right away. I will never forget that weekend. It was the best little get away from Virginia and I laughed so hard at times my stomach hurt. I remember Sarah talking about everything she was going through at that time she had just found out she was sick. She was a strong sole. She was a very nice and sweet person. I am lucky to have been able to meet and know her for such a short amount of time. Prayers to the family for comfort. I am very sorry for yalls loss.

“ You will always be my favorite cousin. We have so many memories together! I don't really have a childhood memory with out you in it. We have been through the rough and the happiest times together. I will always remember and love you. Until we see each other again I will cherish our times we had.
