*Bless those who mourn, eternal God, with the comfort of your love that they may face each new day with hope and the certainty that nothing can destroy the good that has been given. May their memories become joyful, their days enriched with friendship, and their lives encircled by your love. Cousin Selena was always willing to bless others. We recall her phone calls to Sybil and Bobby even though her schedule was heavy. From time to time we would see her on the elevator or on the hall at VCU. She always had time for us. Much love to the entire family during this difficult time. Bob and Sybil Jones*
