“ *My sweet beautiful Grandmother. I miss you so much. Not a day goes by that your not on my mind. Having you not here with us still feel unreal. So many milestones you weren't here for to experience with us. I wish I could turn back the hands of time just to be in your presence again. This is a pain that will never go away. Continue to watch over us as our guardian angel. Always in my heart, our hearts, love you always, your granddaughter Angie*
