“ *Michelle and Steven & family*  
*there are no words to express how my heart breaks for you. Your mom was such an inspiration to so many people! Her love and kindness were given so freely. We shared so many wonderful Saturday memories and I will cherish them always. She was so proud of her two children and knew that they were proud of her! That beautiful smile was because of you two and I know she is smiling down on you now with great pride knowing she gave you the most important tools of life to survive until you meet again. God, love, and a sense of belonging. Stay strong knowing that her love and strength will always be a part of you.*

*Love and prayers*

“ *I will forever cherish the memory of meeting Stacey! Her wonderful spirit and determination to follow her gift and pursue her love of nursing. She was wonderful with our James and won my heart! She was even so generous as to share her beautiful baby girl, Michelle with me! She loved her family and friends so dearly. I am grateful that I was blessed to know this special lady!*
