September 28, 1982 - September 4, 2023

Stephen Michael Clingan, 40 of Clarksburg, MD and Providence Forge, VA went to be with our Heavenly Father early Monday morning, September 4, 2023.

Stephen was born at home on September 28 ,1982 in VA Beach, VA to his late mother Jackie and his father Dane. Years later they moved to their family home in Providence Forge where he spent the remainder of his youth. He attended New Kent High School and was a star pitcher.

Stephen worked as a carpenter for most of his career and over the last 10 years also became a wedding photographer alongside his wife, capturing many beautiful moments and touching so many lives.

In 2003, Stephen and Jessica Roman welcomed a baby boy, Daniel Blake Clingan. "Blake" was Stephen's pride and joy and not a day went by that he didn't worry about his first born, even after he was all grown up.

In 2008, Stephen met the love of his life, Julie. They fell in love quickly and a year later found

out their first daughter Lily was on the way. They moved to MD and married on December 12, 2012. In 2019, they found out they were to be blessed again with another beautiful little girl named Abby. At the time of Stephen's passing, they had just learned their 3rd child was on the way. Julie is currently 10 weeks pregnant with this miracle.

Stephen is survived by his wife, Julie Clingan, his children, Blake, Lily, Abby and his unborn child. He is also survived by his father, Dane Clingan. He is preceded in death by his mother, Jacqueline Clingan.

“ I knew Stephen all throughout school. He was so funny and a good guy, we went to our 8th grade formal dance together. We had a lot of fun at the dance together. I am so shocked and heartbroken over the fact he was taken so young. My heart and prayers goes out to his wife and all of his children especially the one on the way who will have never got to meet their dad. And many prayers for his dad who lost his son. Continue to tell those grandchildren so many memories about their dad. ❤️🙏❤️🙏

“ I met Stephen in high school and he was a great friend to me while I lived in New Kent, and we kept in touch after I moved back to Roanoke. He even lived with my husband and I briefly in 2006 and did some excellent carpentry work for friends and family during that time. We may not have spoken directly much in the intervening years, but seeing him become a husband and father and following his family's goings on on Facebook has been a great source of joy for me. Just to know he was out there doing well brought a smile to my face. Stephen, I will miss your presence on this Earth, and my deepest condolences go out to your family. I know you'll continue to watch over them and protect them as you always did. Mad love always.

Stephen was among my daughter's circle of friends when we lived in New Kent. I always enjoyed seeing him and conversing. One time he came to Roanoke briefly and during his stay his carpentry skills were used to create built in shelves for my best friend, in her 100 year old house. His skill was such that upon completion the shelves looked like they had always been a part of the house. My deepest sympathy to Stephen's family at this time of unexpected loss. It has been a joy to see his happy life via social media over these many years. May those memories be of comfort.
