“ Our thoughts are with you today Jamie, Cameron and Ryan.  
Suzanne was a delightful woman with a childlike spirit and a giving heart.

*I will miss our impromptu talks in the driveway. She once told me of the time she found a sundress that she loved and went back the next day and bought 27 more! That crazy, lovable girl.*

*We are so sorry for your loss-and ours.*

“ Aunt Sue and I were close, always checking in on each other, always saying "I love you." I already miss our talks, her smile, her laugh. She was a beautiful woman inside and out. I miss her every day. I love you Aunt Sue.

“ Susan was such a beautiful, loving, special person inside and out. She always put a smile on your face with her free loving sprite. She always thought of others and made you feel so special. I will always remember our summers spent as kids, spending Christmas Eves together and calling each other all excited about what Santa brought us. I will always remember our beach trips, girls day of hair and nails and our long talks on the porch. You will be missed soooo very much cuz!! Rest easy until we see each other again. You're in my heart always I love you!!!
