Your mom and I go so far back. She was my first best friend. I got in trouble when I stole home with her. Your mom was a great person. She was always a loving and giving person even during her younger years when we were in school. I never knew her to have anything bad to say about anyone. And then she had her baby girl on my birthday. Your mom will be missed by all who knew her. My your memories help bring comfort. ❤️❤️❤️❤️❤️❤️❤️

“ *Suzette,
Was the sister I never had, but always wanted. Her family was like my second family. She was fun to be around and could always make you laugh. Even in our later years after I moved away and she got married we stayed in touch. Not as often as we should or could have, but we never lost our friendship. She was never far from my thoughts and will always be in my heart.*

Suzette was such a happy person all the time, whenever you saw her she always had a big beautiful smile, we had good times back in the day laughing and cutting up. Keeton family, continue to keep her smile alive.
