“ Sorry to hear about Swinneys demise. Yes I remember her in 2015 getting coffee every morning. We were involved in cleaning of house and gathering things in parking for disposal to Goodwill center. I have all those memories. With me. We all here in family pray God Almighty to rest her soul in peace. 🌹🕉️🌸🌹🕉️

My mother Lorraine Norman often spoke of her friend “Swinney”. I think that they worked together at the Bank in West Point. Condolences to the family.

“ Swinney was my next door neighbor in Williamsburg, we stayed in touch when I moved. Swinney would walk every night at 6:00 with Morgan and me(unless Brett, Emily and Pat were over for dinner or a visit)! She loved Morgan and he loved her so much! She always stopped at the Dollar store on her way home and bought him a toy! He would run to the door when she knocked, knowing she had a toy for him! When I moved, I would call her every week and she would ask:”how is my boy?” I would put her on speaker phone, she would talk to him then he would Lick the phone! She would laugh and laugh! Swinney was so kind to us , I will never forget her! Morgan and I miss hearing her voice! Rest in peace, my friend!

I met Swinney in Williamsburg in 2015. She was my sister in law, Bharti Srivastava's neighbor and also her friend. I would say she was a very special friend. I marveled at Swinney being a very reliable and true friend whom my sister in law could always depend upon. She checked on my sister in law daily as Bharti was living alone in Williamsburg. Swinney was always very supportive. She was very hard working. She continued working way past her retirement. A very inspiring person, Swinney will always live in the hearts ❤️ of people she touched.

“ I’m going to miss you my sweet Swinny. I wrote to you every month to remind you of our monthly classmate luncheons in Williamsburg and you would come when you could and we were always so happy to see you. We started out in the first grade and went all the way through high school together. We also went to church together, remember Vacation Bible School, BTU and our trips to Eagle Eyrie for church camp. We had some good times growing up back then didn’t we? At 82 I look back on our childhood days and those days were the simple days and the best we ever had. RIP my friend and tell your mom and dad hello for me because I know you are with them now.

“ Swindell worked at The Bank of West Point with my mom, Lorraine Norman for many years. I always loved Swindell. She was so kind. More recently I would run into her in the Williamsburg area. I so enjoyed our conversations. I will treasure our friendship always. 🙏

Back in the day we were both members of First Baptist Church of West Point.
She and Ivan were a very special couple.

“ *I haven't seen Swinnie in many years. I do remember her as a teenager when she and her parents would visit my family's restaurant, "Britton's Restaurant" on Main Street downtown back in the fifties. I, and my entire family, thought a lot of both Swinnie and her parents.
My thoughts and prayers go out to her family.

“Wow! This is a “name from the past”. So very sorry to read this passing of Sweeney! I use to hang out with her during my childhood days when my Grandma Ward & Grandpa Archie socialized with her parents in Port Richmond! She was always so very nice to me! R.I.P. my childhood friend 😊
