“ As a traveler our journey can become somewhat difficult and many trials maybe fall us. Sadly Tammy only made a short stop on the road to life and is resting from all of the unpleasantness of this world. Remember her beautiful smile when you may be at a low, and realize she had to go. Looking and longing for her forever and in our hearts, forgetting her goodness no never, no never. In the new earth she will be restored by our faithful and loivng Lord. He tasted death for all men so they can be set free to live forever eternally. Living on a paradise free from all sin thanks to our heavenly father the maker of men.

“ Please accept my sincere sympathy on the recent loss of your dear loved one. You are all in my thoughts and prayers. May the God of comfort be with you in this time of sorrow. May these words bring you hope, "And he will wipe out every tear from their eyes and death will be no more, neither will mourning, nor outcry, nor pain be anymore. The former things have passed away." (Revelation 21:4) This promise will be fulfilled one day, until then, may all your memories sustain you in the days to come.

“ *I am sorry to hear of your loss. Why do we die? The Bible says that because of Adam's disobedience, sin entered in to the world and death through sin and so death spread to all men. (Romans 5:12) It also says that through one man, Jesus Christ, all will be made alive. (1 Corinthians 15:22) He demonstrated the resurrection when he raised Lazarus and he said that all those in the graves shall hear his voice and shall come out. (John 5:28-29). My thoughts and prayers are with you that the resurrection hope will comfort you and help ease your pain.*

precious daughter. Tammy is definitely in Heaven now watching
over you 2 after you took care of her. Such a beautiful girl in heart &
spirit which comes from her mom and dad. Richard & Sandra you
are such strong parents with such great love. Keep God close to
you during this time and know that your friends are just a phone call
away. We know you will cherish each and every memory from Jan

“ Richard and Sandra, you are held so very close in my heart... Tammy was like my sister and we were the "bestest" of friends....all the many memories of our times together are rolling through my mind today....how my brother and sister adored her as much as I and how much my parents loved her, as well. I will always have Tammy in my heart and will never forget the angel of a person she was to so many, especially to you two. Now she's made her journey from being an angel on earth to being given her official wings in Heaven..... fly free like you were meant to sweet girl, because Heaven's got a precious new angel to celebrate. "Awa" will never forget you, Tammy. None of my family EVER will. I love you Richard and mama Sandra.
With our love,
