“ *Tammy was a talented young lady; she battled illness in her later years, but through all her trials she was always sweet to me. Her voice was soft, here laughter was infectious . . . I loved to hear her laugh! She had a beautiful singing voice, and could play several instruments; and was a remarkable bowler. I pray comfort for the rest of the family. Tammy will be missed, but we know she is in a better place, no more pain, no more sadness - only peace and love will surround her forever.* ”
