“ So on my mind, non-stop. We are family so we take for granted that we are always there. Glenn said that he wanted to share a memory of the day that you were there for our family. Thank you for being there for me. We are going to miss you so Tammy. We will be there for Olivia and Irvine if they need us. I think they got this though. They are strong and know that you would want them to fight. May God continue to bless all of you.

“ My mom told me Saturday. I think I was in shock. I still can't believe it. We spent so much time together at the family reunions. I'm so sorry Olivia, Wendy, and all the others who loved her so much. She is greatly missed already. Big hugs. If you need anything the Tennessee family knows how to get in touch with me. I love you all.
