

Tammy Meyers Harris

December 16, 1982 - April 21, 2026

Tammy “Meyers” Harris, 43, of Barhamsville, VA passed away April 22, 2026. Tammy was preceded in death by her father Richard Meyers. Children were precious to Tammy’s heart. She loved all children, but none were dearer to her than her four beloved sons, Trevor and Travis Harris, and William and Joseph Klink, who will treasure her memory. Tammy is also survived by her husband, Darrell K. Harris; her mother, Sheila Merriman (Douglas); four sisters, Amy Meyers, Kerry Watts (Christopher), Jennifer Bowers (Alan) and Melissa Lickey (Al); as well as many aunts, uncles and cousins.

To honor Tammy’s wishes, no services are planned.

“ My name is Stacey Harris. I knew sweet, adorable, loving, strong Momma Bear Tammy for about six years. I have never met such a strong, loving, caring parent, always putting her 4 precious boys before herself. I have had the pleasure of meeting Joseph and seeing how Tammy took such precious care of him and her boys. I will miss Tammy, she touched my heart! I believe her strong Momma bear spirit and love will live and resonate within her 4 boys, they will know how much she loved them and fought for them. My love and prayers are with Tammy's boys and family, my heart goes out to all those that are trying so hard to make their lives better like Tammy did, and there is just not enough social support to assist these families.
Let's all help each other out as much as we can and reach out for help when we need it!
God bless sweet Tammy!
