“ Terrell, I am in shock over your untimely passing. I am heartbroken that you have left this world behind. You had been like a brother to me, I am so thankful for the time we had together as neighbors and best friends.

Shelia, my heart aches for you and your family. I truly wish I had known of his passing so I could've been there for the service and funeral. I will come and pay my respects as soon as possible. I know it doesn't lessen the pain of loss, but I'm here if you need me.

Terrell, you were the only brother I ever had. You were my Dad's other son, not by blood but by love. May your soul be borne on the wings of Angels to your place in eternal paradise. Til we see each other again, man.
