“ *Fred, Amber, Shannon and the rest of the family:*

*Terri made a remarkable difference in the lives of our children, Matt and Samantha for over seven years as their child care provider when both all of the kids were little. We felt like our kids were a part of your family and our kids definitely felt that way about their "T-T." It was so difficult to make the decision to place Samantha in day care and she cried for weeks begging us to go back to her T-T. We have so many memories and fun times of being with Terri, Fred and the girls. It is so very easy to see the love shared by Terri and Fred and how that transferred to their girls, who share their Mom's beautiful smile. Heaven most certainly has a very special angel in Terri Ernest.*

*God's Blessings to All of You during these difficult days. You are all in our thoughts and prayers. John and Debbie Rigdon*
