“ Terri was an awesome neighbor and loved being both a Mom and grandmother to her 4 grandchildren. She and her husband Will were a team and raised the children with utmost respect for others. She was dedicated to family, friends, and the community, as well as being involved in all facets of everything her grandchildren were involved in. She will certainly be missed by us, especially as we always saw her outside with the kids and picking up pecans in the wee hours of the night and sending a lot of them our way. RIP sweetie, Heaven has another angel looking after all the children there.
