“ I was being assigned aboard the USS Harold E. Holt. I was home on a 30 day leave before reporting onboard. I went to the Cleveland Ohio AFFEES building to get my check. I met Terry there. He was in uniform and wearing the ships patch. We talked and he made me feel welcome aboard although we were many miles from Hawaii and the ship. Told me to look for him when I reported onboard. Two weeks after reporting onboard I found him. I was on watch and had to check switch gear for flooding. I heard a band playing in the little compartment. When I entered in there was Terry playing lead guitar for band. It was the start of a 4 year friendship. God rest your soul Terry,
