“ *Michael and family,*

Thinking of and praying for you and your family. Terry spoke so much about her sons, brothers and grandchildren every time we saw each other. You were her rock Michael and you took such wonderful care of her. Her family clearly meant the world to her and she adored the "boys" in her life :)

I've grown very fond of Terry over the last 3 yrs. here at the clinic. She will always hold a special place in my heart and memories. God broke the mold when He made her :) We will all miss her !!!!!

Please accept my condolences and may you all have peace and comfort now and through the holidays.

*Much Love,

“ Dear Mike, I remember Terry as a young girl at The Hideaway and how she loved Amy. Everytime we went there Amy would run and jump into her arms and Terry would carry her around until we left. She loved her brothers so much and was so good to everyone. God bless you at this sad time. With deepest sympathy, Ruth
