“ I met Ted when I was very young and he came out to the house for the first time to trim the horses' hooves. My two front teeth were missing and he got a kick out of that. That began a long history of lots of story telling leaning against the large oak tree. Ted and Vivian became our friends and were a part of our extended family. Ted loved to tell everyone of how he first met me with my front teeth out. They were unique and we loved being around them and later enjoyed every Christmas eve together which just hasn't been the same without them. Truly missed and our hearts go out to Craig, Tina and all the family.

“ Ted was generous with his time. I remember he drove his truck and horse trailer to Roanoke, VA with me to help me transport dining furniture I had bought with no way or plan to get it back to Williamsburg. He barely accepted reimbursement for gas. It was 4 hours each way plus loading and unloading the furniture. We did cause a stir as one of Viv and Ted's friends called Vivian to ask who that woman was in the truck with Ted. I enjoyed going with Viv to see Ted and Craig team rope together. They are dearly missed.

“ Ted was always there to lend a helping hand and/or a story. I have such wonderful memories of hunting season, venison, lemon pie, sledding and hot chocolate, meals shared, fun gatherings. He and Viv were the best. Hugs to you Craig and your family. Your parents are dearly missed. What wonderful people they both were. I was blessed to have shared so many good times with them. Rest in Peace dear friends. Until we meet again.
