“ Jones Family, we were sorry to hear of the passing of your loved one. I had the pleasure of meeting Mr Theo while employed by CC Rec Dept as it's clerk. I enjoyed talking with Mr. Theo, as I called him, when he came to the center to make reservations for his church event. He presented himself to be quiet and reserved. I'm sure he will be missed not only by you his family but by those whose lives he touched. It is my family's prayer that God will see you through this as you try to go on without your loved one.

“ Burnette and Family,
We were saddened to hear of Thee's passing. While we understood he'd been ill for a while, it was still a shock to hear he'd passed. Thee and I were neighbors and childhood friends having attended elementary through high school together, culminating in our graduating in RHS's class of '66. We're in prayer that you and your family will find comfort in knowing that Thee is no longer suffering and is at rest in Abraham's bosom, a promise to the believers.

May God bless, keep and comfort you during this trying time.

Love, Warren & JoAnne
