“ Always with a smile on his face, this quiet man had so many people's number! He has been a central figure in many funny painting stories in my family for several decades. He will be thought of fondly and sorely missed. Condolences to his family from mine.

“ You have been the hardest goodbye I've had to say. I don't know if I even really believe it yet. You have forever been a constant in my life and I cannot express how grateful I am for that into words. What I would give to have another hug, early morning in the woods, an afternoon just by your side laughing, picking, and sharing memories. You were my Papa Tom and as I grew became one of my closest friends, you still are.. you always will be. I'll still make Dad and Paul push those briar patches like you like and keep your seat warm in the back field stand. There is so much you taught me that I will never forget. There will never be another person like you (I don't think the world could handle it) I love you so much Papa Tom. Don't worry to much you have lots of people down here looking out for momma Val. 187 Hunt Club till the end of time

“ To the Meeks family, I am very sorry that you have lost such a good man. My father, Walter Robertson Jr, valued Sawmill's friendship and companionship, and probably was at his happiest talking to him about all things relating to nature, hunting and the outdoors. Sawmill's wit, knowledge, energy and goodness of heart were a gift to my dad and our entire family. He will be very missed.
