“ *Mr. Couch was an amazing man. I started purchasing honey from him about 5 years ago. I would always make sure I had plenty of time because he loved to talk and I so enjoyed hearing all of his stories. If I was running late, he would tell me to get the honey and where to leave the money. My prayers and thoughts are with his family. I pray you find comfort in knowing that he and his beloved Linda are reunited again, never to be separated. Thank you for taking good care of him and for sharing him with our community. We are the better because of him.* ”

“ Thom, Karen and Kathy: I'm sure you will miss your dad. I stopped by the other day to take him some butterbeans. He was snapping some snaps. He told me he wasn't feeling good. It's good to know his pain is gone and he is with Jesus. God Bless, Billy

“ A better neighbor could not be found! Tommy had both wisdom and love to share with me through the years—had a knack for speaking the truth no matter how hard it might have been to hear and then would make you smile! 😊

“ Dear family,
I am so sorry for the passing of Tommy, but thank God he is no longer in pain.
He is now in heaven and rejoicing with his loved ones.
We were cousins and we were friends. We would call and check on each other.
I will miss him.
Cherish all of your precious memories.
With heartfelt sympathy,
Gloria Couch

My Grandkids always remembered visiting him and loved it when he would take us on a tour of the berry farm on his golf cart. He will be greatly missed. Such a sweet and caring spirit heaven has gained.
