“ Tommy was a one of a kind guy and I am sorry to learn of his passing as I know that he touched the hearts of many folks during his life time. Tommy introduced me to going over the middle school in town with a nice punch to the belly and told me welcome to real world but through the years we buddied up and became good friends. May the family find peace and comfort in the coming days as I am sure he'll be looking down on all of you !

“ I will always cherish the days me and my sisters worked for Tommy at Diggs...this is how I met Tommy, Jason and Susan...such good times...Tommy was so funny and had such a good heart...my heartfelt sympathy goes out to Linda and all the family...Tommy was a good man and will be dearly missed...I know he is with Jason now and they are blessed...it's the ones left behind that suffer so much...just know that one day you will all be together again...until then cherish the memories, the smiles, tears, love and laughter...may God give you peace and comfort through your sorrow...love you Tommy 🙏🏻💕🌸

Condolence to the Harlow family.

Thomas parking cars and selling pop corn at the drive in picture show in Port Richmond right across the street from his house. We chewed grandpa Harlows plug tobacco and fire twist chew. We were friends in a long ago place and time.

Rest in peace.
