“ Dad, we may not have always seen eye to eye but dammit I wish you were here now to tell me what to do. I'm dying and not quite sure how to handle it. I know you would have had something to tell me that would have made this easier. I miss you and I'll see you, mom and Marc soon. Love you man.

Troy I am so sorry for the passing of your dad. I know that you will always have fond memories of him, always think about the good times. It always brings a smile to my face when I think of my dad. I'm here if you need me little brother.

Troy, I am so sorry to hear about your Dad, and my condolences to all of his family! I just found out your Dad had passed today. I was your Dad's neighbor and more importantly I was your Dad's friend. I first met your Dad shortly after he moved here to Milton, Fl. After the hurricanes, we helped each other out and became great friends. I am so going to miss Tom! Once again, I am so sorry for your loss and I am sorry that we did not know sooner. God bless and keep you all as you adjust to your lives without Tom.
